Contact Information: PSI Human Resources, Email: [hr@psi.edu](mailto:hr@psi.edu)

The Planetary Science Institute (PSI) is currently seeking an undergraduate student to be involved with archiving telescope data into NASA's Planetary Data System and reducing some of the raw data.

The skills, knowledge, and minimum qualifications required for this position are as follows:

- Prior experience with astronomical images is preferred.
- Experience with IRAF and FITS files is preferred.
- Current undergraduate science/engineering major.

*Note: Management may assign or reassign duties and responsibilities to this job at any time. This description is intended to be generic in nature. It is not intended to determine specific duties and responsibilities of any particular position.*

**To apply for the position:**

If you are interested in applying for this position and you meet the required qualifications for the opening, please submit the following documents to [hr@psi.edu](mailto:hr@psi.edu):

- A cover letter that addresses your interest and qualifications for this position.
- Resume
- Completed Application and Voluntary Self-Identification form (can be found on [www.psi.edu](http://www.psi.edu) or by sending a request to [hr@psi.edu](mailto:hr@psi.edu)).

**PSI is an Equal Opportunity/Affirmative Action employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.**
